

MY GOVERNANCE

FORMS

CREATE ANY TYPE OF QUESTIONNAIRE DIGITALLY!

WHICH PROBLEM IT SOLVES

MY FORMS allows you to create forms and online questionnaires for a fast and efficient collection of information with the possibility of also connecting a payment method.

HOW IT WORKS

MY FORMS with a simple and intuitive interface, allows you to create and share questionnaires with anyone in the world (employees, agents, associates, suppliers, customers ...), and to collect the related information; moreover, thanks to the integration with paypal, the questionnaires can also contain the request for payments; this process is duly registered and archived.

USE IT FOR

To collect information for:

- Creating Suppliers Registry
- Registration to associations
- Participation in events
- Collecting candidate data
- Survey
- *and much more...*
